TEACHING SEMINAR

under the auspices of

European Pediatric Surgeons Association (EUPSA)

PEDIATRIC UROGENITAL SURGERY

PROGRAM

4th -6th October, 2012
Pécs, Hungary
Dear Colleagues,

It is a pleasure to invite you to the 2012 STEPS (Strategies & Trends in European Pediatric Surgery) Seminar under the auspices of EUPSA (European Pediatric Surgeons Association) to be held in Pécs, Hungary from the 4-6th October 2012.

This year the meeting will focus the topic of “Pediatric Urogenital Surgery”. Experts with experience in this field have been invited to lecture on the surgical management concepts in contemporary practice.

With the standardization of minimal access surgery in pediatric urology, this seminar will offer insights and outcomes of the state-of-the-art techniques. Fetal aspects as well as experimental research will also be part of this seminar.

Pécs is located on the slopes of the Mescek mountains in south-west Hungary. The city Sopianae was founded by Romans at the beginning of the 2nd century, on an area peopled by Celts and Pannoni tribes. By the 4th century it became the capital of Valeria province and a significant early Christian center. The early Christian necropolis is from this era which became an UNESCO World Heritage Site in 2000.

In 2010, Pécs was selected as the European Capital of Culture and has a rich social lifestyle to offer during your stay. Furthermore, over the years, public places, streets, squares and neighborhoods, new cultural centers, a concert hall, a new library and center and a cultural quarter have been designed to offer various activities to visitors.

Dr. Attila Váistyán and the local organizing team along with the staff of Medical University of Pécs as well as the team of STEPS, welcome you to the city of Pécs for STEPS 2012.

Amulya K. Saxena, MD
STEPS Organizer
Seminar Topics

- Posterior urethral valves
- Pediatric renal transplantation
- Redo reconstructive urology
- Pediatric urological tissue engineering
- Fetal and perinatal urology
- Retroperitoneal laparoscopic pyeleoplasty
- Vesicoureteral reflux
- Retroperitoneal laparoscopic nephrectomy
- Ovarian/testicular masses
- Vesicoscopic surgery for reflux/anomalies
- Neuropathic bladder surgery
- Surgery in disorders of sex differentiation
- Hypospadias/Epispadias
- Bladder exstrophy surgical management
- Surgery in undescended testis
- Pediatric urogenital tract traumatic injuries

STEPS Organizing Committee

- Amulya Saxena, MD
- Volker Müller, MD
- Cornelia van Tuil, MD
- Andras Hock, MD
- Thomas Petnehazy, MD

Local Organizing Committee

- Attila Vástyán, MD (Chairman)
- András Farkas, MD
- Andrew Pinter, MD
- Péter Vajda, MD
- Zsolt Juhász, MD
- Zsolt Oberritter, MD
- Ede Biro, MD

Accommodation in Pécs

Pécs offers a wide range of Hotels that can be booked through travel websites.
Budapest International Airport

Budapest Ferihegy Airport is the major international airport and the gateway to Hungary. There are 2 terminals (2/A or 2/B) at the airport.

Budapest International Airport to Railway Station

AIRPORT MINIBUS are available at Budapest Airport. The AIRPORT MINIBUS service has a fixed price of 2000 HUF. Ask the driver to take you to one of the train stations Déli Pályaudvar or Keleti Pályaudvar, depending where your train departs to Pécs.

Train travel to Pécs

The most convenient way of travelling from Budapest to Pécs is by an Intercity train (IC). Several trains leave daily from both the Budapest Railway Stations (Déli Pályaudvar and Keleti Pályaudvar) to Pécs.

Fare for 2nd class with seat reservation costs about 4250 HUF (€15-18). The travelling time is about 3 hours and Pécs is the final stop.

Local Transport in Pécs

Pécs has an excellent local bus network. A bus ticket costs 220 HUF in advance; and costs 300 HUF on the bus. You can also get a bus pass (approx. 4500 HUF) or weekly ticket for 2860 HUF.

Volán Taxi (06-72-333-333 or 06-30-9333-333) can also be used for transport.
PEDIATRIC UROGENITAL SURGERY

16:15-16:25  STEPS 2012 Welcome address and Meeting Information
Amulya Saxena, Graz, Austria

16:25-16:30  Welcome address
Attila Vástyán, Pécs, Hungary

SESSION- I  Moderator: Andrew Pinter, MD

16:30-17:00  Historical insights into pediatric urogenital surgery
Amulya Saxena, Graz, Austria

17:00-17:30  Experimental Fetal Uropathy
Alexander Springer, Leeds, United Kingdom

17:30-18:00  Perinatal and fetal urology- where we are 25 years later?
Pramod Reddy, Cincinnati, United States

18:00  SESSION CLOSED

18:00

STEPS 2012 WELCOME RECEPTION

Seminar Venue
Hotel Kikelet
SESSION-II  Moderator: Amulya Saxena, MD

09:00-09:30  Phimosis- what is the place of circumcision?  
Paul Philippe, Luxembourg, Luxembourg

09:30-10:00  Ovarian and testicular pathologies- diagnosis and management  
Amulya Saxena, Graz, Austria

10:00-10:30  Undescended testis- diagnosis, management and outcomes  
Alexander Springer, Leeds, United Kingdom

10:30-11:00  Coffee break

SESSION- III  Moderator: Paul Philippe, MD

11:00-11:30  Urodynamic examinations in pediatric urological conditions  
Elisabeth Sterl, Graz, Austria

11:30-12:00  Bladder augmentation and continent urinary diversion  
Andrew Pinter, Pécs, Hungary

12:00-12:30  Complications following bladder augmentation  
Péter Vajda, Pécs, Hungary

12:30-13:30  Lunch
SESSION-IV  Moderator: Wouter Feitz, MD

13:30-14:00 The neurogenic bladder- surgical management
Henrik Steinbrecher, Southampton, United Kingdom

14:00-14:30 Bladder extrophy
Andras Farkas, Pecs, Hungary

14:30-15:00 Urological issues in patients with anorectal malformations
Pramod Reddy, Cincinnati, United States

15:00-15:30 Coffee break

SESSION-V  Moderator: Pramod Reddy, MD

15:30-16:00 Systematic approach to vesico-ureteral reflux
Ekkehard Ring, Graz, Austria

16:00-16:30 Overview of surgical techniques in vesico-ureteral reflux
Peter Frey, Lausanne, Switzerland

16:30-17:00 Tissue Engineering and regenerative medicine in urology
Wouter Feitz, Nijmegen, The Netherlands

17:00  SESSION CLOSED

19:30  STEPS 2012 OFFICIAL DINNER
SESSION-VI  Moderator: Pascal De Lagausie, MD

09:00-09:30  Exstrophy-epispadias complex
             Peter Frey, Lausanne, Switzerland

09:30-10:00  Disorders of sex differentiation
             Henrik Steinbrecher, Southampton, United Kingdom

10:00-10:30  Hyposadias- overview of surgical techniques
             Attila Vástyán, Pécs, Hungary

10:30-11:00  Coffee break

SESSION-VII  Moderator: Peter Frey, MD

11:00-11:30  Pediatric traumatic urogenital injuries
             Thomas Petnehazy, Graz, Austria

11:30-12:00  Pediatric renal injuries: diagnosis and management
             Andras Hock, Graz, Austria

12:00-12:30  Wilms Tumor- approach and surgical management
             Alireza Basharkhah and Amulya Saxena, Graz, Austria

12:30-13:30  Lunch
