

10th Conference of the Baltic Association of Paediatric Surgeons

11-13 September, 2008, Kaunas, Lithuania

The Second Announcement and call for abstracts

INVITATION

Dear Colleagues,

On behalf of the Organizing Committee I have a great pleasure to invite you to the Jubilee 10th Conference of the Baltic Association of Paediatric Surgeons which will be held in Kaunas, Lithuania on September 11-13, 2008.

We would like to invite everyone interested in paediatric surgery to come to Kaunas, beautiful old town in the centre of Lithuania. First time Kaunas was mentioned in the chronicles in 1361. The city acquires the Magdeburg charter in 1408. Kaunas was the former interim capital of Lithuania. Now Kaunas is the second city of our country with 450.000 population. Lithuania is rich in culture and tradition. We hope our visitors from abroad will take time to enjoy it and go on to explore many more of the delights that our country has to offer.

Our Conference will be a three days meeting with scientific sessions and also social activities. Each scientific session will start with a lecture given by one of the invited speakers, outstanding World and European paediatric surgeons.

Please help us to create a fruitful scientific meeting because a scientific programme of high standard is possible only with wide international participation.

An attractive social programme as a contrast to the intensive scientific sessions helps to relax and to enjoy your days.

We would like that this event would become our opportunity to exchange experience and to have many common discussions not only in the conference hall, but also out of it.

We are looking forward to see you in Kaunas again where you will be welcomed by the traditional Lithuanian hospitality.

Yours sincerely,

Prof. Vidmantas Barauskas
President of the Baltic Association of Paediatric Surgeons
